

Shellfish Restoration Project

~~July 19, 2014~~ Oct. 11 + Oct. 25
10 am until 1 pm

Mt. Sinai Coastal Steward Dock

What we'll be doing:

We had a very successful couple of weeks. This week we will continue to size oysters, check the salinity of the water as well as water temperature. We will be washing oysters and their cages and will be sorting oysters. We need all the help we can get! Please join us.

Where to meet:

Go passed the Cedar Beach Recreation area and continue on the road to the Brookhaven Town Yard that will be on the left side. There will be a Coastal Steward sign on the fence of the Brookhaven Town Yard. Turn left into the yard, park, and walk onto the dock. The Coastal Steward Dock is the first dock on the left.

What you will need:

1. clothes and shoes you don't mind getting dirty
2. a hat to protect your head from the sun
3. bug and sun protection
